DONATION FROM INNOSPEC CARES TO PREPARE TOIT

Dear Mr Persyn,

The Innospec Cares scheme supports the great work Innospec employees undertake in raising money to give to charities, local communities and good cause initiatives close to their hearts. The scheme makes funding available for good causes that are nominated by our employees – either through direct giving or match funding employees own fundraising initiatives.

Following a donation application from an Innospec employee at our Vernon site, we are very pleased to present a donation of €1831.00 to, to help support the continuation of your inspiring and much valued activities.

We hope this contribution will make a significant difference to your operations and the great work that you do.

As part of the Innospec Cares scheme we like to collect evidence of the positive impacts our donations are having, to share with our employees. If you are able to provide us with details about how our particular donation has been spent – such as quotes, photographs or an article we could use in our communications – we would be most grateful. You can send these via email to Innospec.Cares@innospecinc.com or post them to the address at the bottom of this letter marked for my attention.

We will you all the success for the future. Keep up the great work.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Helen Coy".

Helen Coy
